13. What is the function/mission of your department?

The Housing Department at the University of North Dakota is a large diverse auxiliary enterprise, whose mission is to deliver housing services to the University community in a manner that is congruent with the overall mission of the University. The department's goal is not only to meet the needs of a changing student population, but to supplement the academic experience by providing opportunities to enhance personal growth, develop a positive self-identity and to interact successfully with others in the college environment. This mission is realized through the careful integration of financial planning, facilities coordination, and development of educational student oriented programs and services designed to benefit the University community. The department provides quality services in support of the University's overall mission and is an enthusiastic partner in new campus developments and activities. The department strives to serve as a center of excellence and provide expertise, teamwork, vitality, and innovation for the betterment of the institution.

14. What is the purpose of your position? (Why does the position exist, how does the position function within the work unit?)

The Housing Department at the University of North Dakota is an auxiliary department that provides on-campus housing operations to the University community in a manner that is congruent with the overall mission of the University. The department's goal is to meet the needs of a changing student population by providing a living and learning environment conducive to student's academic and personal development and success. The department goals are realized through the careful integration of financial planning, facilities coordination, vision, strategic planning and assessment to support and advance the department, division, and university priorities.

15. Is this position essential during emergencies/closures? ☒ Yes ☐ No

(Essential personnel may be required to work during emergencies and closures affecting UND depending on staffing levels required for that particular situation.)

PART A - 16. Duties/Responsibilities

⇒ **Indicate Essential/Secondary.** The following questions should be taken into consideration in the determination:

- Is the duty/responsibility the reason the job exists?
- Is this a highly specialized task or one that requires special education, training, licensure?

If the answer is yes, the duty is "essential".

- What is the percentage of time spent on the function?

If the answer indicates a great % of time, the duty is probably "essential".

- What are the consequences to others or the institution of a failure to perform the function?

If the answer indicates a high level of accountability, the duty is "essential".

NOTE: See Position Description Instructions and examples.
